

Invertebrados Marinhos, lista de espécies com ocorrência na Bahia selecionadas para avaliação do estado de conservação

Porifera

- Amphoriscus synapta* (Schmidt in Haeckel, 1872)
Guancha tetela Borojevic & Peixinho, 1976
Stelletta soteropolitana Cosme & Peixinho, 2007
Tethya brasiliiana Ribeiro & Muricy, 2004

Cnidaria

Anthozoa

Actiniaria

Actiniidae

- Condylactis gigantea* (Weiland, 1860)

Ceriantharia

Ceriantharidae

- Cerianthomorpha brasiliensis* Carlgreen, 1931
Cerianthus brasiliensis Melo-Leitão, 1919

Gorgonacea

Gorgoniidae

- Phyllogorgia dilatata* (Esper, 1806)

Hexacorallia

Scleractinia

Fungiina

Agariciidae

- Agaricia agaricites* (Linnaeus, 1758)
Agaricia fragilis (Dana, 1846)
Agaricia humilis Verrill, 1902

Siderastreidae

- Siderastrea stellata* (Verrill, 1868)

Poritidae

- Porites astreoides* (Lamarck, 1816)
Porites branneri (Rathbun, 1887)

Faviinia

Faviidae

- Favia gravida* (Verrill, 1868)
Montastraea cavernosa (Linnaeus, 1767)

Mussidae

- Mussismilia brasiliensis* (Verrill, 1868)
Mussismilia hartii (Verrill, 1902)
Mussismilia hispida (Verrill, 1902)

Trochosmillidae

- Meandrina brasiliensis* (Milne Edwards & Haime, 1849)
Stephanocoenia intersepta (Lamarck, 1816)

Hydrozoa

Capitata

Milleporidae

- Millepora alcicornis* Linnaeus, 1758
Millepora brasiliensis Verrill, 1868
Plexauridae
Muricea atlantica

Annelida

Polychaeta

Amphinomida

Amphinomidae

- Eurythoe complanata* (Pallas, 1766)

Onuphidae

- Diopatra cuprea* (Bosc, 1802)

Sabellariidae

- Phragmatopona lapidosa* Kinberg, 1867

Sabellidae

Branchiomma nigromaculatum (Baird, 1865)

Hypsicomus elegans (Webster, 1884)

Serpullidae

Filograna implexa Berkeley, 1827

Spirobranchus giganteus (Pallas, 1767)

Crustacea

Malacostraca

Decapoda

Atyidae

Atya gabonensis Giebel, 1875

Atya scabra (Leach, 1815)

Palinuridae

Panulirus argus (Latreille, 1804)

Panulirus laevicauda (Latreille, 1817)

Scyllaridae

Scyllarus ramosae

Palaemonidae

Macrobrachium acanthurus

Macrobrachium carcinus (Linnaeus, 1758)

Macrobrachium holthuisi

Macrobrachium iheringi

Macrobrachium jelski

Macrobrachium olfersii

Macrobrachium potiuna

Palaemon pandaliformis

Enoplometopidae

Hoplometopus antillensis

Penaeidae

Farfantepenaeus brasiliensis (Latreille, 1817)

Farfantepenaeus paulensis (Pérez-Farfante, 1967)

Farfantepenaeus subtilis (Pérez-Farfante, 1967)

Litopenaeus schimitti (Burkenroad, 1936)

Xiphopenaeus kroyeri (Heller, 1862)

Trichodactylidae

Trichodactylus fluviatilis Latreille, 1828

Gecarcinidae

Cardisoma guanhumi (Latreille, 1825)

Ocypodidae

Ucides cordatus (Linnaeus, 1763)

Portunidae

Callinectes sapidus (Rathbun, 1896)

Porcellanidae

Minyocerus angustus (Dana, 1852)

Mollusca

Bivalvia

Unionoida

Hyriidae

Castalia undosa Martens, 1827

Diplodon rotundus Wagner, 1827

Mycetopodidae

Anodontites elongatus Swainson, 1823

Anodontites soleniformes Orbigny, 1835

Anodontites trapesialis Lamarck,

Anodontites trapezeus Spix, 1827

Fossula fossiculifera Orbigny, 1835

Gastropoda

Mesogastropoda

Strombidae

Strombus goliath Schoter, 1805

Terebridae

Impages cinerea (Born, 1778) (antiga *Hastula cinerea* (Born, 1778))

Impages salleana (Deshayes, 1859) (antiga *Hastula salleana* (Deshayes, 1859))

Cephalopoda

Octopus insularis Leite, Haimovici, Molina & Warnke, 2008

Echinodermata

Forcipulatida

Asterinidae

Coscinasterias tenuispina (Lamarck, 1816)

Paxillosida

Astropectinidae

Astropecten braziliensis Müller & Troschel, 1842

Astropecten cingulatus Sladen, 1889

Astropecten marginatus Gray, 1840

Luididae

Luidia clathrata (Say, 1825)

Luidia ludwigi scotti Bell, 1917

Luidia senegalensis (Lamarck, 1816)

Spinulosida

Echinasteridae

Echinaster (Othilia) brasiliensis Müller & Troschel, 1842

Echinaster (Othilia) echinophorus Lamarck, 1816

Echinaster (Othilia) guyanensis Clark, 1987

Valvatida

Ophiodiasteridae

Linckia guildingii Gray, 1840

Narcissia trigonaria Sladen, 1889

Oreasteridae

Oreaster reticulatus (Linnaeus, 1758)

Echinoidea

Cidaroida

Cidaridae

Eucidaris tribuloides (Lamarck, 1816)

Holothuroidea

Aspidochirotida

Stichopodidae

Isostichopus badionotus (Selenka, 1867)
